

One Color

Main Idea

Choose one color and create a series of photos where your chosen color is the “Star of the Image”.

Directions:

Choose one color.

Take a series of 5–10 images that feels cohesive, unified by color, but varied in subject.

All photos must feature your chosen color (or close variations).

Try to include a variety of subjects, textures, lighting and compositions.

Be creative and have fun.

Email your individual photos to kristikolson@hotmail.com by **April 1, 2027**.

The photos will be shown at the meeting on May 11, 2027.
